Enrique, We have updated the talking points based on yesterday's conversation. Hopefully you will have a chance to look over the main points by early next week before we share with HQ again. The last version was shared with HQ staff and several managers. This next time we will provide it to Dana, Greg, and FFEO. And, we intend on having a midweek call with HQ (without Dana and Greg) to talk through things one more time before our final briefing with you on Thursday.

Please let us know if you have any questions or comments,

John
